

DynEd's Proficiency Test is a powerful assessment tool that provides reliable confirmation of student fluency levels. It is reserved as an Exit Exam for students completing a CEFR level in a DynEd Certification Program. Tests are held in the presence of DynEd-authorized proctors. Proficiency Test results and the CEFR Certificates they earn are recognized around the world.

Proficiency Tests are used by many companies' human resources departments to determine the English proficiency levels of the employees and the applicants for new jobs.
